

REFERENCES

Dear Sir/Madam,

Please be informed that MIRAND Sp. z o.o., with head office in Szczecin, ul. Stanisława Dubois 23, has successfully completed whole process of catamaran hull prefabrication-project DGM-4. Works had been performed according to time schedule and high quality, fulfilling Norwegian standards and other specific requirements.

We would like to recommend them as a highly efficient and reliable company with qualified staff and management as well as well-equipped workshop.

If you require any further information from us in regards to above, please do not hesitate to contact us.
